Hardship License

In order for a contractor to be reviewed prior to the next scheduled Board meeting, they must meet the criteria as an undue hardship on the owner or be in the best interest of the public safety and welfare. See T.C.A. § 62-6-111(k)(3) and Rule 0680-1-.02(2). Contractors must complete the application process, in its entirety, to be considered and provide a written request describing the hardship from the owner (not the contractor). The hardship letter must include: details of the hardship; reason the application process must be rushed; the need to use this particular contractor and not a contractor who already has a license; describe the project and location; and the bid date. Any hardship request which identifies potential license law violations, such as bidding or contracting for a project prior to obtaining a license, cannot be approved and they must meet with the Board at the next scheduled board meeting. A hardship request form may be obtained from the website at: <http://state.tn.us/commerce/boards/contractors/documents/HardshipRequestForm.pdf>

Pursuant, T.C.A. § 62-6-109, Public Chapter 191, any applicant meeting the hardship criteria and approved by the Director, their license information must be posted on the website and ratified at the Board's next scheduled meeting. The contractor will be issued a letter confirming approval and a license certificate will be mailed after the regular scheduled Board meeting.

Notice: The above listed contractor(s) have been granted a license prior to the next board meeting. License certificates are not issued until after the full Board votes to ratify the Director's approval. The license status for new license applications will be identified as "Applicant in Process" until after the meeting, and later changed to "Active" upon issuance, with the expiration date of the license to be the last day of the month of issuance, of the board meeting, for two years. License revisions will retain their current license expiration date. License details with the classification and monetary limit are available on the website at: <http://licsrch.state.tn.us/>
